01  
grey

example of stacking the storage containers with lids closed and with lids opened

the flush handles offer a safe and easy grip even for gloved hands

example of stacking full containers with opened supports and with closed supports

the lid can be fastened with a security seal

- **Maximum volume reduction by empty containers**
- **Ideal for transport on truck deliveries**
- **Stackable using the support**

The support (pic. 1) is pushed to its stop (pic. 2) and is blocked by pressing downwards (pic. 3).
